

For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. Is. 9:6

Marion and I want to wish you a Blessed Christmas! The miracle of Christ's birth is as real today as it was when the angles filled the sky over Bethlehem. *"Glory to God in the Highest and on earth peace to men on whom His favor rests."* Luke 2:14

Most people did not notice the angels nor the birth in the stable but **it was real**. Most people today do not notice the working of the Lord but **it is real** and our future in eternity depends on how we respond to this miracle of God's sacrifice.

Thank you for your love, prayers and support. Your financial gifts have allowed us to continue to share the love of Christ with those in the media and entertainment community. We know that lives are being changed because of this ministry.

Can we count on your prayers and financial support in 2015?

God has allowed wonderful ministry opportunities this past year and we are grateful. Your continued support has helped to sustain our work including two very important **MFI Media Support Team** efforts.

- On March 22, 2014, the Oso, Washington community just north of us suffered a devastating landslide, killing 43 people and closing a major arterial highway. For several weeks, MFI provided a Media Support Center at the headquarters to provide hospitality to the media covering the event.

- More recently, I went to Israel and Palestine to offer support to the Media covering the ongoing conflict. The Lord allowed many meetings in Israel that have opened doors for continued MFI ministry there. As a result, we have been asked to assist them with arranging a Media Conference in Israel for prominent News people to give them first-hand knowledge of the history and current situation. We have posted photos and a detailed report on our MFI website at www.mediafellowship.org.

We are planning an MFI tour to Israel May 16 through 25, 2015. If you are interested in joining us, please contact our office at MFI@usa.net. In addition to the sites we typically visit, we will be going to Petra as well as attending a concert in Jerusalem with Christer Tepper, who was the excellent violinist at our Praise Breakfast in Los Angeles last September. (DVDs of this event with Christer and Nick Vujicic are available.)

In February there is the annual National Prayer Breakfast in Washington, D.C. where MFI co-hosts the Cal Thomas Media Dinner the evening prior to the Breakfast as well as our annual MFI Luncheon following the Breakfast. In June MFI will sponsor the Faith in Film portion of Film-Com in Nashville and plans are already underway for our annual MFI Award and Praise Breakfast next Fall.

We are looking forward to 2015 with anticipation. Will you consider giving a generous gift of support to MFI? Your partnership is needed and very much appreciated.

In His Service,
Pastor Bob
